

Portrait Susanne Hafner

Susanne Hafner supports peoplefocus GmbH as a co-operation partner with an extensive track record in Human Resources Management. She has more than 20 years experience in delivering successful results in a variety of industry sectors, functions and roles within Human Resources Management.

As a dedicated and passionate HR professional, she can share many years of leadership experience as well as a wide range of operational, strategic and project-specific knowledge. A continual focus of her work has been supporting organisations and their employees during change, either in the role of HR Consultant, HR Business Partner or Head of Human Resources. Susanne Hafner also has broad experience in Outplacement/Newplacement (as a result of restructuring, site closures, relocation, change in leadership etc.)

Susanne Hafner has a Master of Advanced Studies (ZFH) in Human Capital Management (MAS HCM) and is a licensed trainer for the Power-Potential-Profile/JPP, which is used successfully by peoplefocus to support personal and team development. For several years she has been an examiner for the Federal Examination for HR Professionals. She is a co-author of the book "Erfolgsfaktor Mensch - Personalführung und Umgang mit Veränderung" and has written various articles on current HR topics.

Susanne Hafner grew up near Zurich and now lives near Rapperswil. She speaks German and English.
